

RUTGERS
 Center for Critical
 Intelligence Studies

2018 Rutgers IC CAE Colloquium:
***Data Science, Technology and the Intelligence Community: An
 Examination of Successful Strategies***

Learn how data science and emerging technologies can support the development of actionable intelligence through an examination of successful strategies and case studies. This program is ideal for Intelligence Community professionals; federal, state and local law enforcement; and those with an interest in intelligence and national security.

Date: September 12, 2018

Location: Rutgers University Inn and Conference Center - 178 Ryders Lane, New Brunswick, NJ.
